MATCHING THE STYLE — KEY RULES

Dark bg is #0F0D0C or #18160F — never pure black

Accent is always the ember gradient — never flat orange or red

Section labels are SMALL CAPS + ember — above every H2

Headlines: pure white. Body: 60% white. Never full white for body

Signal green #1D9E75 — live/resolved states only, never decorative

Card borders on dark: rgba(255,255,255,0.08) — barely visible

Light sections: warm #FAF8F3 — never cold grey

Icons: Lucide set, stroke-width 1.5
